Calm Apr 17 2022 This e-book is a shorter version of the paperback, with the same beautifully designed content excluding the practical exercise pages - perfect to dip in and out, and choose which bits work best for you. Join the Calm revolution. Modern life is hectic and relentless: trains delayed, endless emails filling the inbox, kids squabbling before bedtime... There has never been a more important time to rediscover your pause button. Calm is the book that will show you how to take back a little bit of peace, space and all-important calm. This book contains the simple tools, tricks and habits that will change the rest your life. It is a practical and pleasurable guide to twenty-first century mindfulness. Regular meditation is medically proven to be good for you - it increases focus and creativity, productivity

and job satisfaction, mental and even physical health. But in reality most of us don't have time to sit on a cushion with our eyes closed for half an hour every day. And many people associate meditation with hard work and huge lifestyle shifts: you might be imagining Buddhist monks locked in a mountain retreat and living off gruel... This is where Calm comes in. Calm is about simple, achievable habits that work with the demands of your busy life instead of pretending those demands don't exist. Calm does not require specialist training: it uses abilities that every single one of us is born with, like creativity, spontaneity and simply noticing the world around you. Calm is not a set of rules that you need to worry about following or breaking. It is inspirational, practical and non-prescriptive. Onerous, time-consuming meditation might seem out of reach but everyone can achieve calm - including you. Calm combines extracts from fascinating neurological research with wisdom from history's great thinkers and the real-life experiences of individuals across the globe. It demystifies mindfulness and shows you the many simple ways to be mindful while carrying on with your life. It is also a beautifully crafted object, filled with artwork and artistry, that will change your perspective by showing you the pleasures of the world anew. Take a walk with nowhere to go, savour a chocolate on the tip of your tongue, plant a seed, doodle aimlessly, turn off your mobile phone for five short minutes. Smile, breathe and go slowly. Michael Acton Smith has written a game-changing book, one that will finally balance everyone's need for calm with the realities of modern life. Join the Calm revolution. Calm your mind; change your world. Calm.com @calm

Wink Murder Oct 11 2021 Kate Forman has an enviable life: a loving family and a perfect husband, Paul. But one night she finds Paul drunk and covered in blood, mumbling about having killed something - or someone. When a young and attractive woman who works for Paul is found murdered, Kate's suspicions about what he has really done send her on an increasingly desperate

search for the truth that threatens to smash her carefully constructed life. Doing the right thing should seem obvious, but as the lies multiply, the truth is not as straightforward as it seems; how well do you know the person you're married to?

The Passengers May 26 2020 You're riding in your self-driving car when suddenly the doors lock, the route changes and you have lost all control. Then, a mysterious voice tells you, "You are going to die." Just as self-driving cars become the trusted, safer norm, eight people find themselves in this terrifying situation, including a faded TV star, a pregnant young woman, an abused wife fleeing her husband, an undocumented immigrant, a husband and wife, and a suicidal man. From cameras hidden in their cars, their panic is broadcast to millions of people around the world. But the public will show their true colors when they are asked, "Which of these people should we save?...And who should we kill first?"

Retribution Feb 03 2021 One rainy night in New York City, outstanding law student Chloe Larson wakes from a terrible nightmare. But it's not a nightmare - it's real. Not only is she savagely violated in her own bedroom, Chloe then has to deal with the horror of nobody being brought to justice. Twelve years later a very different Chloe is forging a formidable reputation in the Miami Dade State Attorney's Office, as a vicious serial killer nicknamed Cupid terrorises Florida - tearing out his tortured victim's hearts while they're still conscious. When the police stop a driver on the McArthur Causeway and a mutilated corpse is found in his trunk, it seems the hunt for Cupid is finally over. But as Chloe begins the task of prosecuting the suspect, she soon realises that this case will be anything but easy. Because her past is about to force itself on her present - and the terror is only just beginning. Sometimes there's a price to be paid for justice. And sometimes that price is awful. Revenge could cost Chloe her sanity. The truth could cost her her life. THE PAST. THE PRESENT. THE TERROR.

The Watcher: A Novel of Crime May 06 2021 A "tautly plotted psychological thriller" (Publishers Weekly, starred review) from Germany's most successful female author. Carla Roberts lives alone in the top of a high rise building, frightened by the sound of the lift stopping and opening on her floor, with nobody getting out. Days later, she's found brutally murdered. Meanwhile Samson Segal, an unemployed thirty-something, has taken to spying on his neighbors, particularly beautiful and successful Gillian Ward. When Gillian's daughter comes home to an empty, locked house, Samson takes her in but finds himself venting his anger in his diary when his good Samaritan actions go unappreciated, unaware that his suspicious sister-in-law cracked his password long ago. When Gillian's husband is then murdered in his own home, Samson comes under intense scrutiny but the only man making any progress on the case is the one who shouldn't be working on it. Yet he's the only one who believes Samson is innocent . . .

The Butterfly Project Aug 29 2020 "Where you are is home..." At age fourteen, Zelda Rossi witnessed the unthinkable, and has spent the last ten years hardening her heart against the guilt and grief. She channels her pain into her art: a dystopian graphic novel where vigilantes travel back in time to stop heinous crimes-like child abduction-before they happen. Zelda pitches her graphic novel to several big-time comic book publishers in New York City, only to have her hopes crash and burn. Circumstances leave her stranded in an unfamiliar city, and in an embarrassing moment of weakness, she meets a guarded young man with a past he'd do anything to change... Beckett Copeland spent two years in prison for armed robbery, and is now struggling to keep his head above water. A bike messenger by day, he speeds around New York City, riding fast and hard but going nowhere, his criminal record holding him back almost as much as the guilt of his crime. Zelda and Beckett form a grudging alliance of survival, and in between their stubborn clash of wills, they slowly begin to

provide each other with the warmth of forgiveness, healing, and maybe even love. But when Zelda and Beckett come face to face with their pasts, they must choose to hold on to the guilt and regret that bind them, or let go and open their hearts for a shot at happiness. The Butterfly Project is a novel that reveals the power of forgiveness, and how even the smallest decisions of the heart can-like the flutter of a butterfly's wings-create currents that strengthen into gale winds, altering the course of a life forever.

Victim 2117 Jul 08 2021 In the heart-pounding next installment of the New York Times and #1 internationally bestselling Department Q series, a terrifying international investigation reveals the complex backstory of one of the department's own--the enigmatic Assad. The newspaper refers to the body only as Victim 2117--the two thousand one hundred and seventeenth refugee to die in the Mediterranean Sea. But to three people, the unnamed victim is so much more, and the death sets off a chain of events that throws Department Q, Copenhagen's cold cases division led by Detective Carl Mørck, into a deeply dangerous--and deeply personal--case. A case that not only reveals dark secrets about the past, but has deadly implications for the future. For troubled Danish teen Alexander, whose identity is hidden behind his computer screen, the death of Victim 2117 becomes a symbol of everything he resents and the perfect excuse to unleash his murderous impulses in real life. For Ghallib, one of the most brutal tormentors from Abu Ghraib--Saddam Hussein's infamous prison--the death of Victim 2117 was the first step in a terrorist plot years in the making. And for Department Q's Assad, Victim 2117 is a link to his buried past--and the family he assumed was long dead. With the help of the Department Q squad--Carl, Rose,

and Gordon--Assad must finally confront painful memories from his years in the Middle East in order to find and capture Ghallib. But with the clock ticking down to Alexander's first kill and Ghallib's devastating attack, the thinly spread Department Q will need to stay one step ahead of their most lethal adversary yet if they are to prevent the loss of thousands of innocent lives.

All the Little Pieces Feb 21 2020 Faith Saunders is the perfect wife, mother and sister - loved and admired by all who know her. One night will change everything. As she drives home in the pouring rain, a dishevelled young woman appears out of nowhere, pleading for help. The isolated stretch of road is dark, and with her four-year-old daughter Maggie asleep in the backseat, Faith refuses to let the stranger in. What she sees next will haunt her forever. When the missing-person posters go up, Faith's guilt consumes her. Then the girl's body turns up, and her perfect life begins to unravel. Because it turns out Maggie wasn't asleep that night and - unlike her mother - she's not afraid to speak up. Maggie's testimony leads to an arrest, but Faith is the only one who can identify a second man who was at the scene of the crime. She has one chance to convince a jury of what happened

A Passion for Him Oct 19 2019 In this Georgian-era romance by the #1 bestselling author of the Crossfire Series, a woman meant for another man succumbs to temptation. Plea of Insanity Nov 12 2021 The prosecutor- Julia Valenciano. Young, ambitious and facing a case that could launch her career. The defendant - David Marquette. A successful Miami surgeon and devoted family man. The victims - Marquette's own wife and three small children. The plea- Not Guilty by Reason of Insanity. But the state suspects Marquette's insanity defence is being fabricated to disguise murders that were cold-blooded and calculated. Worse, Julia believes Marquette could be responsible for a string of unsolved, brutal homicides. The distraught survivor could just be one of the most prolific and elusive serial killers in Florida's history. The trial will take Julia on a painful personal journey back to a past she has struggled for fifteen years to forget. And it will bring her face to face with a future that is so frightening, she's not sure if she even wants to see it.

The Scent of Death Oct 31 2020 Formerly a busy hospital, St Jude's now stands derelict, awaiting demolition: these days, its only visitors are addicts and dealers. So when a partially mummified corpse is found in the hospital's cavernous loft, the police believe it must be the result of a tragic accident or a drug deal gone wrong. Forensics expert Dr David Hunter can't say how long the body has been there, but he's certain it's that of a young woman, and that she was pregnant. It soon becomes clear that the hospital has yet to give up all of its secrets. The sudden collapse of the attic floor reveals a bricked-up chamber with beds still inside. Some of them are occupied... As the investigation springs more surprises, one thing is certain: St Jude's hasn't

claimed its last victim.

Saviors of God Feb 15 2022 As a writer and philosopher, Nikos Kazantzakis struggled all his life with existential questions, once spending several months in a monastery in an attempt to attain a closer relationship with God. His relentless quest to understand the nature of life through travel, extensive reading, and constant conversation with a diverse array of compatriots ultimately led Kazantzakis to compose this book of "spiritual exercises" meant to help the reader achieve harmony between the countervailing human impulses toward an immortality-seeking asceticism and toward a more nihilistic and materialist view of death. As with all Kazantzakis's philosophical works, *The Saviors of God* sheds light on a mind uniquely suited to a nuanced examination of what it means to be human, and establishes a hopeful vision for a dazzlingly syncretic approach to spiritual life.

Freefall Mar 24 2020 A MOST ANTICIPATED BOOK OF 2019: Entertainment Weekly | USA Today | Parade | Cosmopolitan | New York Post | PopSugar | Goodreads "Jessica Barry's *Freefall* is not only an enthralling, impossible-to-put down mystery that keeps the pages flying, but it is also a gorgeous, resonant tale of a mother's unconditional love for her daughter. I could not recommend this more!" — Aimee Molloy, New York Times bestselling author of *The Perfect Mother* "An absorbing treat." — PEOPLE Magazine "The corporate malfeasance and shady conspiracies of John Grisham, with the frank feminism of two rounded female protagonists." — Entertainment Weekly They say your daughter is dead. You know they're wrong. When her fiancé's private plane crashes in the Colorado Rockies, everyone assumes Allison Carpenter is dead. But Maggie, Allison's mother back home in Owl Creek, Maine, refuses to believe them. Maggie knows her daughter - or she used to, anyway. For the past two

years, the two women have been estranged, and while Maggie doesn't know anything about Ally's life now - not even why she was on a private plane to begin with - she still believes in her girl's strength, and in their love for each other. As Allison struggles across the treacherous mountain wilderness, Maggie embarks on a desperate search for answers about the world Allison has been involved in. What was she running from? And can Maggie uncover the truth in time to save her? Told from the perspectives of a mother and daughter separated by distance but united by an unbreakable bond, *Freefall* is a heart-stopping, propulsive thriller about two tenacious women overcoming unimaginable obstacles to protect themselves and the ones they love.

[The Madman's Tale](#) Aug 09 2021 It's been twenty years since Western State Hospital was closed down and the last of its inmates reintegrated into society. Francis Petrel was barely out of his teens when his family committed him to the asylum, after his erratic behavior culminated in a terrifying outburst. Now middle-aged, he leads an aimless, solitary life housed in a cheap apartment, periodically tended to by his sisters, and perpetually medicated to quiet the chorus of voices in his head. But a reunion on the grounds of the shuttered institution stirs something deep in Francis's troubled mind: dark memories he thought he had laid to rest, about the grisly events that led to Western State Hospital's demise. It begins in 1979, when twenty-one-year-old Petrel descends into the state-run purgatory of an overcrowded, understaffed Massachusetts mental hospital. Surrounded by inmates roaming the halls like drugged zombies and raving behind locked doors, well-meaning orderlies, jaded nurses, and patronizing doctors, Francis finds friendship with a motley assortment of fellow patients: a would-be Napoleon, a wise ex-firefighter, and a man obsessed with battling imagined devils. But there's nothing imaginary about the young nurse found sexually assaulted and brutally murdered late one night after lights-out.

The police suspect an inmate, while patients whisper about visions of a white-shrouded “angel.” But the striking and mysterious prosecuting attorney who arrives to investigate has her own chilling theory—about the grim, telltale “signature” left on the victim’s body, a string of unsolved sex killings, and a very real devil who, by chance or design, has come to turn a madhouse into a slaughterhouse. Now, with the past creeping back to haunt his thoughts, and nothing but a pencil and the bare walls of his bleak apartment, Francis surrenders to the overwhelming need to tell the story of those nightmarish days. But because the crime was never solved, it’s a story doomed to remain unfinished. Until, like Francis’s long-buried recollections, the killer resurfaces . . . with a vengeance. A tour de force narrative journey through the eerily unpredictable mind of an utterly unusual hero, *The Madman’s Tale* will keep even the most astute thriller reader uncertain, unnerved, and unable to resist the tantalizing twists and turns of this fiendishly suspenseful shadow show.

The Chemistry of Death Apr 24 2020 Three years ago, David Hunter moved to rural Norfolk to escape his life in London, his gritty work in forensics, and a tragedy that nearly destroyed him. Working as a simple country doctor, seeing his lost wife and daughter only in his dreams, David struggles to remain uninvolved when the corpse of a woman is found in the woods, a macabre sign from her killer decorating her body. In one horrifying instant, the quiet summer countryside that had been David’s refuge has turned malevolent—and suddenly there is no place to hide. The village of Manham is tight-knit, far from the beaten path. As a newcomer, Dr. Hunter is immediately a suspect. Once an expert in analyzing human remains, he reluctantly joins the police investigation—and when another woman disappears, it soon becomes personal. Because this time she is someone David knows, someone who has managed to penetrate the icy barrier around his heart. With a killer’s bizarre and twisted methods screaming out to him, with a brooding countryside beset with

suspicion, David can feel the darkness gathering around him. For as the clock ticks down on a young woman's life, David must follow a macabre trail of clues—all the way to its final, horrifying conclusion.

The Shadow Apr 05 2021 Ruth Ware meets Shari Lapena in this internationally bestselling psychological thriller about the inescapable pull of destiny and revenge. Norah Richter has recently moved from Berlin to Vienna, hoping to put her old life behind her. While walking to her new office one morning, Norah is approached by an elderly woman who utters these chilling words: On the eleventh of February, you will kill a man called Arthur Grimm ...With good reason. And of your own free will. Norah is unnerved — many years earlier, something terrible happened to her on February 11 — but she chooses to shrug off the encounter as mere coincidence, until a few days later when she meets a man named Arthur Grimm. Soon Norah begins to have a dreadful suspicion: Does she have a good reason to hate this man she's never met? Could he be responsible for the tragic event in her past? And can Norah make sure that justice is done without committing murder?

The Jazz Palace Dec 21 2019 Winner of the Anisfield-Wolf Book Award Boomtown Chicago, 1920s—a world of gangsters, musicians, and clubs. Young Benny Lehrman, born into a Jewish

hat-making family, is expected to take over his father's business, but his true passion is piano—especially jazz. After dark, he sneaks down to the South Side to hear the bands play. One night he is asked to sit in with a group. His playing is first-rate. The trumpeter, a black man named Napoleon, becomes Benny's friend and musical collaborator. They are asked to play at a saloon Napoleon has christened The Jazz Palace. But Napoleon's main gig is at a mob establishment, which doesn't take kindly to their musicians freelancing. As Benny and Napoleon navigate the highs and the lows of the Jazz Age, a bond is forged between them that is as memorable as it is lasting. Morris brilliantly captures the dynamic atmosphere and dazzling music of an exceptional era.

The Trap Jul 28 2020 A twisted debut thriller about a reclusive author who sets the perfect trap for her sister's murderer—but is he really the killer? The renowned author Linda Conrads is famous for more than just her bestselling novels. For over eleven years, she has mystified fans by never setting foot outside her home. Far-fetched, sometimes sinister rumors surround the shut-in writer, but they pale in comparison to the chilling truth: Linda is haunted by the unsolved murder of her younger sister, whom she discovered in a pool of blood twelve years ago, and by the face of the man she saw fleeing the scene. Now plagued by panic attacks, Linda copes with debilitating anxiety by secluding herself in her house, her last safe haven. But the sanctity of this refuge is shattered when her sister's murderer appears again--this time on her television screen. Empowered with sudden knowledge but

hobbled by years of isolation, Linda resolves to use her only means of communication with the outside world--the plot of her next novel--to lay an irresistible trap for the man. But as the plan is set in motion and the past comes rushing back, Linda's memories of that traumatic night--and her very sanity--are called into question. Is this man really a heartless killer or merely a helpless victim?

Hope For the Flowers Jun 19 2022 Hope for the Flowers: A must read during this time of the corona virus and civil unrest in 2020. Caterpillars, Butterflies, Life & a real Hope Revolution THE WORLD HAS BEEN COCOONING; LET US EMERGE WITH HOPE. We have all lived through months of strange relationships with ourselves and the world around us. Virtual gatherings have become the norm, while the pain, uncertainty and injustice goes on. What will our new normal possibly become? What new work? How can we do our part to heal the world from whatever limited space we have? How can our United States truly be one nation under God with liberty and JUSTICE FOR ALL? "What might I do to help others during this global crisis? Is likely still your question as well as still mine. I will continue to offer my e-book for \$2.99 with my hope that it can strengthen hope and courage in each of you and your children. We will need all we can get! If inspired, please join our Facebook group - Hope (For the Flowers) Revolution. Maybe we can inspire each other to build the better world that's possible. My hope for us is that, like our caterpillar heroes, Stripe and Yellow, we transform in the darkness of the cocoon to something new and totally unexpected. May we each find a way to use this time of darkness to light the way to justice and peace in the world. May we discover our own new beauty as we discover the beauty in our differences. May we each discover

our purpose and live with passion this thing called life, while we still can. "How does one become a butterfly" Yellow asks pensively. "You must want to fly so much That you are willing to give up being a caterpillar." I can't think of anything more transformational and radical than the change that happens when a lowly caterpillar worm becomes a flying beautiful butterfly. And it doesn't end with flying! They find their true purpose, to carry the pollen of love from one flower to another and receive in return the sweet nectar that keeps them alive. What wondrous exchange! Sharing is the answer to so much! I'm so grateful the story seems to reach every culture, and over 3 million have loved and shared the paper version in English and countless more in other languages for 50 years. May each of us and the world flourish after this strange dark cocoon of isolation.

Redemption Point Sep 29 2020 #1 New York Times bestselling author Candice Fox delivers a compulsive new crime thriller in *Redemption Point*. When former police detective Ted Conkaffey was wrongly accused of abducting Claire Bingley, he hoped the Queensland rainforest town of Crimson Lake would be a good place to disappear. But nowhere is safe from Claire's devastated father. Dale Bingley has a brutal revenge plan all worked out - and if Ted doesn't help find the real abductor, he'll be its first casualty. Meanwhile, in a dark roadside hovel called the Barking Frog Inn, the bodies of two young bartenders lie on the beer-sodden floor. It's Detective Inspector Pip Sweeney's first homicide investigation - complicated by the arrival of private detective Amanda Pharrell to 'assist' on the case. Amanda's conviction for murder a decade ago has left her with some odd behavioural traits, top-to-toe tats - and a keen eye for killers . . . For Ted and Amanda, the hunt for the truth will draw them into a violent dance with evil. *Redemption* is certainly on the cards - but it may well cost them their lives . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Pretty Little Things Jan 14 2022 When thirteen-year-old Lainey fails to come home from a night out with friends, her disappearance is dismissed by the Coral Springs Police Department as just another disillusioned South Florida teen running away from suburban drama and an unhappy ...

Tracking You Jan 22 2020 A good girl in small town Oregon is about to leave the friend zone to find romance with a sweet and sexy veterinarian in this contemporary romance. As the designated good girl of Redwood Ridge, Oregon, Gabby Cosette has landed a permanent position in the friend zone. With no prospects in sight, she's ready to let the town gossips set their matchmaking sights on her. Too bad their perfect match happens to be her boss at the veterinarian clinic—and her best friend. Sure, Flynn O'Grady is handsome and kind, but getting involved with him would risk toppling both of their carefully constructed worlds. Even if he is starting to make her girly parts zing. Deaf since birth, Flynn has always felt like an outsider. Aside from his brothers, Gabby is about the only person who's gone out of her way to treat him as more than a handicap. Which is exactly why he's hidden his attraction for his beautiful vet tech. Without Gabby, his work as a veterinarian, never mind his personal life, wouldn't flow. But when a single kiss changes everything, he wonders if taking the ultimate shot at love might be worth the risk.

Abandoned Mar 04 2021 For FBI Special Agent Smoky Barrett, her colleague's wedding is cause for celebration. Until a woman staggers down the aisle—incoherent, wearing only a white nightgown. A fingerprint check determines that she's been missing for nearly eight years. Her coldly efficient captor toyed with her mind and body, imprisoning her, depriving her of any contact with the outside world. As Smoky fits together the pieces of what remains of the victim's fractured life, a chilling picture emerges of a cerebral psychopath who doesn't take murder personally, never makes a mistake, follows his own sinister logic,

and has set the perfect trap.
