[Clashing Worldviews in the U.S. Supreme Court](#) Nov 30 2020 Contrasting two Protestant justices who hold distinctively different worldviews, Chief Justice William H. Rehnquist and Justice Harry A. Blackmun, this book explores how each came to hold his worldview, how each applied it in Supreme Court rulings, and how it led them to differing outcomes for liberty, equality, and justice. This clash of worldviews between Rehnquist, whose religious and philosophical influences were anchored in the Reformation, and Blackmun, whose Reformation theology was modified by Enlightenment philosophy, provide the context to examine

the true nature of justice, liberty, and equality and to consider how such ideals can be maintained in a society with increasingly divergent worldviews.

The Adman's Dilemma Jul 27 2020 The Adman's Dilemma is a cultural biography that explores the rise and fall of the advertising man as a figure who became effectively a licensed deceiver in the process of governing the lives of American consumers. Apparently this personage was caught up in a contradiction, both compelled to deceive yet supposed to tell the truth. It was this moral condition and its consequences that made the adman so interesting to critics, novelists, and eventually

filmmakers. The biography tracks his saga from its origins in the exaggerated doings of P.T. Barnum, the emergence of a new profession in the 1920s, the heyday of the adman's influence during the post-WW2 era, the later rebranding of the adman as artist, until the apparent demise of the figure, symbolized by the triumph of that consummate huckster, Donald Trump. In *The Adman's Dilemma*, author Paul Rutherford explores how people inside and outside the advertising industry have understood the conflict between artifice and authenticity. The book employs a range of fictional and nonfictional sources, including memoirs, novels, movies, TV shows, websites, and museum exhibits to suggest how the adman embodied some of the strange realities of modernity.

The Renegades Book 4 Jul 19 2022 Valerie never wanted to be a hero. And now she's tired of pretending to be something she's not. When an offer comes to move halfway around the world, to a place where she

would be free, wouldn't have to worry about the Hero Society arresting her, and would get to return to the work she loves as a scientist, Valerie leaps at the opportunity. But things could never be that simple, and as Valerie starts to become aware of just what is happening in the nation of Rontanista she starts to worry that maybe the reason the reason there are no heroes is because the country is run by a villain.

A Renegade's Rules May 17 2022 There's a big world out there-do you want to make your mark on it? Are you hungry for more money, success, confidence, or

security? To get to that next level, you've got to make it happen. Entrepreneurship is one of the best ways to move your life and career forward, so long as you have proper expectations and the mindset for success. Oliver Seidler had to learn these lessons the hard way. He started his own real estate company right before the recession, fought like crazy to keep it alive during the lean years, then saw rapid growth and expansion in the years that followed. *A Renegade's Rules* recounts Oliver's journey from waiting tables to heading up a company that pioneered the wholesale real estate industry. You'll learn how to respond when things don't go according to plan, how to deal with people who screw you over, and what to do about the fear that's determined to hold you back. What you'll discover is a life filled with more: options, excitement, challenge, fulfillment, and purpose.

In outer space, there is no right or wrong...unless you get caught. Cal turns to a life of smuggling to escape a death sentence for a crime he didn't commit, and when a galactic law enforcer lands far too close, Cal's crew kidnaps her in hopes they can prove his innocence. Hey, what could go wrong? Dania, a powerful mage enforcer, is on a mission to eliminate a human trafficking ring. When a small team of criminal buffoons grabs her instead, she's honor bound to execute them despite their pleas of innocence. This crew is guilty on many counts, and they must be punished for their crimes. However, they risk their lives smuggling and use their profits to feed the hungry.

Dania will face her own execution for not enforcing royal edicts, but how can she execute people breaking the law for all the right reasons? Star Renegades is Guardians of the Galaxy meets Firefly and Robin Hood. Jump on board and start your intergalactic adventure today!

REV: Renegades Jan 25 2023

Even SUPER MEN sometime screw the pooch. International bestselling science fiction author T.R. Harris presents Book 2 in his exciting new Military/Space Opera series about the future of space warfare...and the destiny of mankind. The REV Warriors Series Book 2: REV: Renegades REVs are mankind's ultimate mechanized warriors, chemically-enhanced Marines with super strength, speed and durability, and the closest thing Humanity has to real-life, homegrown supermen. They're also Earth's not-so-secret weapon against the alien Antaere, habitually leaving wide swaths of enemy dead everywhere they go. They're respected by our allies and

feared by our foes. That is until a recent REV mission goes horribly wrong, turning the planets of the Grid against the Humans. Now Lt. Zac Murphy and his team of super REV's are hunted by the aliens and hated by their fellow Humans. Only by proving that the original mission was a setup from the beginning can they clear their names and restore the reputation of the REV's. But that's easier said than done, especially when everyone on a dozen worlds knows your name and your face, and there's nowhere to hide. And as the REV's fight for redemption, Zac learns a terrible truth about the Program, a truth that will impact the future of mankind: Zac is not only a new breed of REV...he's a new breed of man....From heroes to hunted in the blink of an eye, it's a strange game fate plays. Will the REV's have the skill and ability not only to play the game...but to survive it as well? That remains to be seen. The second volume of the REV Warriors Series: REV Renegades is action-packed,

insightful and unique among Superhero stories. These are just regular people who have extraordinary abilities, even if those abilities are now slowing eating them alive. It seems being a superhero isn't all it's crack up to be. The REV Warriors Series was created for the fans of T.R. Harris and his other popular space opera series The Human Chronicles Saga, featuring his larger-than-life hero Adam Cain. If you like stories about Super Humans, large scale military operations against deadly aliens, mech warriors and just plain old shoot-em up science fiction adventure, then REV is for you. And as with all the books by T.R. Harris, there's no fluff and all action in REV: Renegades, along with wry humor and acerbic wit. Pick up this latest edition of REV today. RENEGADES By Charlie

O'Brien Featuring, -Alexander McQueen -Yohji Yamamoto-Rei Kawakubo-Issey Miyake, -Kenzo -Malcolm McClaren -Vivienne Westwood -Jeremy Scott -Rick Owens -Hedi Slimane -John Galliano Without the designers mentioned in this book, fashion would have ultimately stagnated decades ago. Renegades, no matter their talent, perspective, or unique way of life, are those who refuse to be content with

the confines of the box society deems appropriate for all. They are the dreamers, the rebels, the auteurs, without which culture would have never flourished. They push the boundaries of the box - sometimes escaping it entirely - in order to push what human beings are capable of in unique and sometimes astounding directions. In the case of broader society, renegades are men and women who revolutionised politics, science, philosophy and social values by breaking free of the status quo and enlightening others to do the same. They have protested on behalf of millions of oppressed people; created the ideas that gave birth to democracy; and revolutionised the world by refusing to accept the established order of science in favour of bold - and ultimately correct - new leaps. There is danger in acting as a renegade, to refuse the accepted rhetoric of the larger rabble in pursuit of one's own ideals, but when renegades are capable of engaging with the wider public they can inspire

society to new awakenings - and once their ideas take hold in society, there can be no going back. These fashion renegades helped shape the course of human history and popular culture. Born in the USA Oct 30 2020

Dos viejos amigos nos comparten sus reflexiones en torno a la vida, la música y su amor por Estados Unidos, con todos sus desafíos y contradicciones, en esta magnífica edición ilustrada, inspirada en el podcast producido por Higher Ground, que incluye más de 350 fotografías de las colecciones personales de los autores, contenido exclusivo y material de archivo nunca antes publicado. Renegados: Born in the USA es un diálogo sincero, revelador y entretenido entre el presidente Barack Obama y el legendario músico Bruce Springsteen, en el que se tratan toda una serie de temas —desde los orígenes de cada uno de sus protagonistas y los momentos que definieron sus carreras hasta la polarización política de su país y la abismal brecha entre el sueño americano y la cruda realidad estadounidense. Esta edición

profusamente ilustrada nos ofrece el conmovedor retrato de dos outsiders —uno negro y otro blanco— que buscan la manera de conectar sus búsquedas poco convencionales de significado, identidad y comunidad con la historia de Estados Unidos. Esta edición incluye:

- Introducciones originales escritas por el presidente Obama y Bruce Springsteen
- Conversaciones e historias que no aparecen en el podcast
- Los discursos anotados de Obama que jamás han sido publicados, incluido su famoso discurso pronunciado en el 50^o aniversario de la marcha de Selma.
- Letras escritas a mano de las canciones de Bruce Springsteen a lo largo de toda su carrera
- Fotos exclusivas de los archivos personales de los autores
- Documentos y fotografías históricas para resaltar visualmente el contexto de sus conversaciones

Ya sea en un estudio repleto de guitarras o en un viaje en Corvette, Obama y Springsteen reflexionan sobre el matrimonio, la

paternidad, la raza, la masculinidad, la libertad de la carretera y la necesidad de volver a casa. También comparten sus opiniones acerca de sus canciones de protesta preferidas o sobre las figuras más emblemáticas de Estados Unidos, entre muchas otras cosas. Sus conversaciones revelan su pasión por querer contar una historia más amplia y verídica de Estados Unidos a lo largo de sus carreras (y el coste ocasional que eso conlleva), y exploran cómo un país así de fracturado puede encontrar el camino de regreso hacia la unidad. ENGLISH

DESCRIPTION Two longtime friends share an intimate and urgent conversation about life, music, and their enduring love of America, with all its challenges and contradictions, in this stunningly produced expansion of their groundbreaking Higher Ground podcast, featuring more than 350 photographs, exclusive bonus content, and never-before-seen archival material. Renegades: Born in the USA is

a candid, revealing, and entertaining dialogue between President Barack Obama and legendary musician Bruce Springsteen that explores everything from their origin stories and career-defining moments to our country's polarized politics and the growing distance between the American Dream and the American reality. Filled with full-color photographs and rare archival material, it is a compelling and beautifully illustrated portrait of two outsiders—one Black and one white—looking for a way to connect their unconventional searches for meaning, identity, and community with the American story itself. It includes:

- Original introductions by President Obama and Bruce Springsteen
- Conversations and stories not included in the podcast
- Obama's never-before-seen annotated speeches, including his "Remarks at the 50th Anniversary of the Selma to Montgomery Marches"
- Springsteen's handwritten lyrics for songs spanning his

50-year-long career • Rare and exclusive photographs from the authors' personal archives • Historical photographs and documents that provide rich visual context for their conversation

In a recording studio stocked with dozens of guitars, and on at least one Corvette ride, Obama and Springsteen discuss marriage and fatherhood, race and masculinity, the lure of the open road and the call back to home. They also compare notes on their favorite protest songs, the most inspiring American heroes of all time, and more. Along the way, they reveal their passion for—and the occasional toll of—telling a bigger, truer story about America throughout their careers, and explore how our fractured country might begin to find its way back toward unity and global leadership.

The Pretender of Pitcairn Island May 25 2020 Pitcairn, a tiny Pacific island that was

refuge to the mutineers of HMAV Bounty and home to their descendants, later became the stage on which one imposter played out his influential vision for British control over the nineteenth-century Pacific Ocean. Joshua W. Hill arrived on Pitcairn in 1832 and began his fraudulent half-decade rule that has until now been swept aside as an idiosyncratic moment in the larger saga of Fletcher Christian's mutiny against Captain Bligh, and the mutineers' unlikely settlement of Pitcairn. Here, Hill is shown instead as someone alert to the full scope and power of the British Empire, to the geopolitics of international imperial competition, to the ins and outs of naval command, the vicissitudes of court politics, and, as such, to Pitcairn's symbolic power for the British Empire more broadly.

Renegades Volume 1: Rise

Apr 23 2020 NEW TIMES

NEED NEW HEROES Sixty

years ago, humanity fled their dying home planet and accidentally arrived on a parallel Earth inhabited by bipedal intelligent humanoid animals called Terrans. At first, the two sides coexisted, but as resentment grew, war broke out. This war went on for ten years, and afterward, they achieved a stable peace. Now, a dangerous terrorist organization called Scythe, led by a ruthless mad man, threatens the balance of the world and seeks to eradicate all Terrans and take over the world. The only thing standing in his way is a misfit band of unlikely heroes called the Renegades. A teenage girl trained from birth to be a soldier, a teenage delinquent, a mysterious blue creature with unimaginable powers, two kid super-geniuses, and an ex-pro boxer with cybernetic arms unite to stop him. Going up against impossible odds and facing untold dangers, these unlikely heroes must work together if they are to stop Scythe and their leader's sinister plot.

American Quaker Romances

Feb 02 2021 Quaker characters have peopled many an American literary work—most notably, "Uncle Tom's Cabin"—as Quakerism has been historically associated with progressive attitudes and the advancement of social justice. With the rise in recent years of the Christian romance market, dominated by American Evangelical companies, there has been a renewed interest in fictional Quakers. In the historical Quaker romances analyzed in this book, Quaker heroines often devote time to spiritual considerations, advocate the sanctity of marriage and promote traditional family values. However, their concern with social justice also leads them to engage in subversive behavior and to question the status quo, as illustrated by heroines who are active on the

Underground Railroad or are seen organizing the Seneca Falls convention. Though relatively liberal in terms of gender, Quaker romances are considerably less progressive when it comes to race relations. Thus, they reflect America's conflicted relationship with its history of race and gender abuse, and the country's tendency to both resist and advocate social change. Ultimately, Quaker romances reinforce the myth of America as a White and Christian nation, here embodied by the Quaker heroine, the all-powerful savior who rescues Native Americans, African Americans and Jews while conquering the hero's heart.

Changing Roles Mar 15 2022
Graverobbers, prime-movers in geo-politics, jailbirds, international football celebs. Such terms are not usually associated with women in the 1920s, as women returning docilely to the domestic cage at the end of the First World War has become part of the accepted narrative. Like many

war and immediate post war myths, it does contain some truth, but the story of women between 1918 and 1928 is much more complex, often more positive and certainly far more interesting than previously suggested. *Changing Roles* looks at some of the women who forged new identities for themselves while exploring how their own or their loved ones' wartime experiences influenced the roles they stepped into, sometimes reluctantly, frequently enthusiastically, often successfully. It explores how women fought back against the misogynistic climate of the 1920s, used the Sex Disqualification (Removal) Act to achieve their goals, played their part as full citizens and how the legacy of their global endeavours, achievements and occasional failures is still with us today, spreading far beyond our shores. By telling the stories of both ordinary and extraordinary women whose actions disturbed the status quo, shook the Establishment

to its core, and sent shock-waves across the Atlantic, this book presents a cast of fascinating characters ranging from crowned heads to girl gangs, business women to philanthropists, inviting readers to exclaim, "Gosh, I never knew that!"

Rebel Women Sep 28 2020

The Women's History of the World was a Sunday Times and New York Times bestseller and translated into almost forty languages. Now it is time for a new women's history - for more famous, infamous and little known rebels. We begin with the French Revolution when women took on the Fraternite

of man, then it's off to America to round up the rebels fighting side by side for freedom with their men, before heading back to Britain to witness the courage of the suffragettes.

From Australia to South America, from India to China and from many other countries,

we track women who - often at a very high cost to themselves - have stood up to age-old cruelties and injustices.

Recording the important milestones in the long march of women towards equality through a colourful pageant of astonishing women, we chart the birth of modern

womanhood. Women in sport, women in business, women in religion, women in politics and women in power - all female

life is there. We end in the present day thrilled with what women have done - and can and will do. Rebel Women is as brave and as brilliant as its renegades, viragos and heroines."

Heartless Aug 08 2021 From Marissa Meyer, the #1 New York Times–bestselling story of Wonderland's most notorious villain: the Queen of Hearts. Long before she was the terror of Wonderland—the infamous Queen of Hearts—she was just a girl who wanted to fall in love. Catherine may be one of the most desired girls in Wonderland, and a favorite of the unmarried King of Hearts, but her interests lie elsewhere. A talented baker, all she wants is to open a shop with her best friend. But according to her mother, such a goal is unthinkable for the young woman who could be the next queen. Then Cath meets Jest, the handsome and mysterious court joker. For the first time, she feels the pull of true attraction. At the risk of offending the king and infuriating her parents, she and Jest enter into an intense, secret courtship. Cath is determined to define her own destiny and fall in love on her

terms. But in a land thriving with magic, madness, and monsters, fate has other plans. In *Heartless*, her first stand-alone teen novel, the New York Times–bestselling author of the Lunar Chronicles dazzles us with a prequel to Alice's *Adventures in Wonderland*. Renegade Earth Dec 20 2019 Three Empires Collide. Captain

Jace Hughes and his band of rebels have managed to outrun the Union at every turn, barely escaping with their lives. What started as a simple transport job has escalated into a war between empires, all for the sake of a child. But a Renegade never backs down. With Titan, a fleet of strike ships, and a newly transformed Sigmond, the crew of The Renegade Star will need to pull out everything they have in order to make their final stand. Suit up, Renegades. The battle for Earth has finally begun. Experience a sprawling galactic tale in this sixth entry to The Renegade Star series. If you're a fan of Firefly, Battlestar Galactica, or Leviathan Wakes, you'll love this epic, space opera thriller. *Dark Days* Dec 12 2021 Molly's up against the undead—and the fate of Manhattan is in her hands—in the third and final book of the Dead City trilogy, which Hunger Games author Suzanne Collins says “breathes new life into the zombie genre.” Molly and the Omegas fight to contain the storm

unleashed by Operation Blue Moon. As they do, Molly's personal life is thrown into turmoil when she discovers that one of her closest friends has joined the ranks of the undead, a development that threatens the Omegas as well as Molly's relationship with her mother. As Molly and her friends battle the Dead Squad (a special NYPD task force made up entirely of zombies), they discover that the world's largest gold reserve is kept in a vault eighty feet below the Federal Reserve Bank of New York. They find a photograph of the vault's construction in the 1920s and realize that the construction crew was led by none other than the leader of the undead, Marek Blackwell. Could this explain the source of all his money? And if so, what is he planning to do with it? Is he rebuilding Dead City...or is he building an undead army? *Hotbloods* 3 Jun 06 2021 Reunite with Navan and Riley in Renegades, the heartpounding third book of the bestselling Hotbloods series. Renegades Jun 25 2020 At the end of the Second World War, nearly 200 British citizens were under investigation for assisting Nazi Germany. Some have remained notorious, such as William Joyce (Lord Haw-Haw) and John Amery who went to the gallows for High Treason, but as this meticulously researched study shows, men like Joyce and Amery are only the visible part of a much larger and more intriguing story below the surface. *Renegades* is drawn entirely from original documentary material, eyewitness accounts and intelligence files. Adrian Weale traces the course of treason in the Second World War from its roots in Oswald Mosley's British Union of Fascists, through the war and subsequent investigations by MI5, up to the trial, imprisonment and in some cases execution of the traitors. Since *Renegades* was first

published in 1994, many files previously restricted by privileged access have been released into the Public Records Office, and a number of other files, including several from MI5, have become available. Adrian Weale has revised his book, incorporating this new material, making *Renegades* a more comprehensive and authoritative study. Much here will be new to historians, including the first complete account of the British Free Corps - the Waffen-SS unit composed entirely of British subjects - and the identity of all its members, some of whom have been interviewed for this book. Also revealed is the extraordinary career of the conman who joined the Special Air Service and who, after capture by the Germans, informed on his POW camp comrades before volunteering to fight with the Waffen-SS on the Russian front; and in France, the story of the middle-aged British spinster who joined the Gestapo. Though regarded as highly dangerous

at the time, German efforts to cultivate traitors in British ranks were for the most part stunningly unsuccessful - not least, as this book reveals, because much of that effort was entrusted to a British Fascist turned double agent at work in the heart of the Third Reich.

Two Renegades Sep 21 2022 Maggie just found out her new boyfriend works for the CIA! But will that be enough to save Maggie's mom? Maggie and Ethan's new relationship is finally in the sweet spot, at least for the moment. Maggie's only worry is how to seduce Ethan into taking their relationship to the next level. Ethan has fallen head over heels for Maggie, now to protect her until he can convince her to marry him. An impossible task. Maggie and Ethan's spring break is sadly interrupted when Maggie's mom unexpectedly comes down with a life threatening disease. Can Ethan get over the loss of his own mother in order to save his possible future mother-in-law? Or will Maggie lose

everything that is dear to her? Follow Maggie and Ethan on a trip across the world as they battle moral dilemmas and dangerous encounters in a rush to find a cure, or in this case a kidney.

Ramage & the Renegades

Feb 14 2022 Nelson's crews are standing down and Ramage is on leave when he receives secret Admiralty orders to inspect the small island of Trinidade off the coast of Brazil. Reaching the island, Ramage and the crew of the Calypso fetch up in a battle to free several captive merchant ships—and a beautiful woman passenger—as they cross swords with blood-thirsty pirates.

Renegades Oct 22 2022 In the wee hours of December 16, 1773, Boston, Massachusetts, citizens, in a feat of magnificent defiance, joined together in a tea party that would breathe into being the American Revolution, a conservative constitution, a sovereign people, and the United States. Today, more than two hundred years later, it's time for a new revolution. In *Renegades: Their Betrayal of America, Her Rebellion and Response*, author Robert Harkins outlines the reasons for a new revolution. It's not the British we must defy but the intellectual elite, whom Harkins calls the renegade liberal—as did George Orwell in his unpublished preface to *Animal Farm*. The intellectual elite seek to dismantle American civilization and diminish people they believe are so intellectually vacuous

and religiously provincial they must, in all things great and small, be carefully monitored and told precisely what and how to think, believe, and live. This cannot be. Americans must discover again their ancient roots, their mythos, creed, and identity. They must commit themselves again to moral and rational excellence. *Renegades: Their Betrayal of America, Her Rebellion and Response* is a tribute to American virtue and serves a starting point for Americans to return to excellence. 'Renegades: Their Betrayal of America, Her Rebellion and Response is a historic treasure. Robert Harkins's understanding of history, culture, and America is unsurpassed; and these pages will reveal why past civilizations have gone extinct. More importantly, Harkins's words are a roadmap for each of us to preserve liberty and freedom for our children and grandchildren right here in America, man's last best hope on earth.' Jeff Crank, radio talk show host and Colorado

Director of Americans for Prosperity Robert Harkins received his law degree from St. Mary's University in Texas, where he received honors for exceptional scholastic excellence in the disciplines of federal and constitutional law. He taught business and constitutional law as a guest teacher at the University of Texas and served as a Texas judge for seven years, during which time he graduated from the Texas and National Colleges of the Judiciary. He now lives with his wife, Hyosuk, in Colorado. [Roy Rogers and the Rimrod Renegades](#) Jan 01 2021 An Original Story Featuring Roy Rogers, Famous Motion Picture, Radio, And Television Star As The Hero. **Lone Star Renegades** Feb 26 2023 From author, Mark Wayne McGinnis, who brought you the hit series, Scrapyard Ship and Tapped In, comes a new and exciting new science fiction saga and the rise of the most unlikely new hero. Seventeen-year-old Collin Frost, the kicker for the Lone

Stars high school football team, was not enjoying the bus ride back to the school after a game that hadn't gone so well. The ride was made worse for him when Bubba, the team's defensive tackle, decided Collin should sit in the aisle instead of the seat next to him. That's why when the bus pulled to a stop at a railway crossing in a small town in Middleton Texas, Collin didn't actually see what the bus driver, the cheerleaders, and his teammates saw ... a hovering, goliath-sized space ship. And here the journey of the Lone Star Renegades begins. Abducted into the belly of a simulator collector ship, sent from a distant galaxy, the Lone Stars must find a way to survive long enough to escape their deathly confines. When that escape finally does come, the teenagers find themselves twenty-three light years from Earth and smack dab in the middle of an interstellar war. Young and irreverent, the Lone Stars must bargain with the Brotherhood forces for passage back to Earth--a bargain that

would require them to complete a military basic training program and inevitably have them fight against Brotherhood's enemies for the duration of one year.

2021 Two love stories, two

countries, two pirates... now

ONE BOOK! The Pirate

Highlander now includes the follow-up novella, MALCOLM'S RETURN. Book Three in the Highland Renegades Series! Malcolm Sinclair left home a haunted man, looking for redemption, for a new life. When he finds acceptance with a band of Dutch privateers, he leaves Scotland for good, never to look back. Until his Captain's daughter is kidnapped by Scottish brigands and he must save her. But his responsibility to this captured woman goes far beyond that of a rescuer, for he has promised to protect her with his name, with his heart, with his life. Lilian Mason wants only one thing. Revenge. She sneaks aboard the Dutch pirate ship, captained by her mortal enemy, her knife and courage at the ready. But when she is unwrapped by a bewitching Highlander instead of a giant blond pirate, Lilian fears her plan has gone very wrong. If she waits to exact her revenge, she risks being discovered for the fraud she is, but even more dangerous, she risks losing her heart to the man closest to her

enemy... an unexpected Pirate Highlander. with MALCOLM'S RETURN (Conclusion to PIRATE HIGHLANDER) When mistaken identity leaves her captive, he has no choice but to return for her... Malcolm Sinclair returns home to find Kees Rademacher and his pirate friends waiting for him. Malcolm's plans to free Josephine de Witt from her enemy captors can only go as far as Kees will allow. Kees would like nothing more than to grab the girl and be done with it. Until he lays eyes on her. Josephine de Witt is an unexpected complication. She is beautiful and willful and has plans of her own. And while Malcolm would love nothing more than to return to his wife and family, Kees only has eyes for Josephine. But when her pirate captors discover who they have snared, no one is getting out alive.
