Former FBI-profiler, Eva Rae Thomas, faces the most personal case in her career, as bestselling author Willow Rose's new hit series continues. Three girls disappear on prom night at the local high school. One of them is the prom queen. FBI profiler Eva Rae Thomas is chasing her long-lost sister when detective-and boyfriend-Matt Miller asks her to join the investigation of the three girls' disappearance. They were last seen walking home together after the dance. When the body of a young girl

shows up in her backyard, Eva Rae knows she can no longer watch from the sidelines, and soon she realizes not only is she involved in this investigation, she's also this killer's target. **WHAT YOU DID** is the second book in the Eva Rae Thomas Mystery Series. A woman who wants nothing to do with love or friendship finds both in the unlikeliest ways in this hilarious and heartwarming debut by Kerry Rea. Once upon a time, Willa Callister was a successful blogger with a good credit score, actual hobbies, and legs that she shaved more than once a month. But after finding her fiancé in bed with her best friend, she now spends her days performing at children's birthday parties in a ball gown that makes her look like a walking bottle of Pepto Bismol. Willa dreams of starting fresh, where no one knows who she used to be, but first she needs to save up enough money to make it happen. Maisie Mitchell needs something too: another bridesmaid for her wedding. After a chance encounter at a coffee shop, Maisie offers to pay Willa to be in her bridal party. Willa wants nothing to do with weddings—or Maisie—but the money will give her the freedom to start the new life she so badly desires. Willa's bridesmaid duties thrust her into Maisie's high-energy world and into the path of hotshot doctor Liam Rafferty. But as Willa and Maisie form a real friendship, and Liam's annoyingly irresistible smile makes her reconsider her mantra that all men are trash, Willa's exit strategy becomes way more complicated. And when a secret from Maisie's past

threatens to derail the wedding, Willa must consider whether friendship—and romance—are worth sticking around for. Former FBI-profiler Eva Rae Thomas is back and embedded in a true nightmare reaching deep into her own family. What would you do if your brother was accused of a horrible crime, and you were certain he didn't do it? Life is not done throwing Eva Rae Thomas curveballs. A phone call turns her life upside down - once again. The call is from her father, the man she hasn't seen in thirty-six years, not since he kidnapped her sister in a supermarket. Now, he is back in Florida, and he needs her help. Her younger brother - who she didn't know existed - has been arrested on Amelia Island. The boy is in a coma after being shot by an officer during the incident. But his father doesn't believe the police, and he asks for Eva Rae's help to prove it. At the same time, a serial killer is planning one of the most horrific mass killings in history. Will Eva Rae find it in her heart to help her father after what he did to her? Will facing him again set her free or pull her under? SAY YOU LOVE ME is the fourth book in the Eva Rae Thomas Mystery Series and can be read as a standalone. Book 1 in the Dusty Deals Mystery Series Lucy Mathews, crime reporter turned antiques dealer, avoids confrontation like a home perm. She even lets a cat shove her around. When Lucy trips over the body of a buckskin-clad relics trader, her ex-boss asks her to cover the story. She tries to tell him no, but old habits die hard and soon she finds herself directly in the path of

a killer and the exasperating, if attractive, detective in charge. Can Lucy catch a killer or is this the last confrontation for her—period? The first three Dusty Deals Mystery series novels in one box set. Read along as Lucy Mathews, her Alaskan malamute, Kiska and a cast of quirky characters find love and mystery in Montana. Loose Screw Lucy Mathews, crime reporter turned antiques dealer, avoids confrontation like a home perm. She even lets a cat shove her around. When Lucy trips over the body of a buckskin-clad relics trader, her ex-boss asks her to cover the story. She tries to tell him no, but old habits die hard and soon she finds herself directly in the path of a killer and the exasperating, if attractive, detective in charge. Can Lucy catch a killer or is this the last confrontation for her—period? Cut Loose No one's perfect. At least that's what Lucy Mathews tells herself. Except faced with her boyfriend's rodeo queen ex-wife and perfectly trained Australian shepherd, she has to wonder if maybe this whole 'no one's perfect' thing was made up by someone like...Lucy. Lucky for Lucy though, things are hopping around Helena. It's rodeo season, and she has a booth. It's a great opportunity to expand her clientele and maybe even snag a cash prize for Kiska as the world's first sheep herding malamute. Except Kiska can't herd, Lucy loses her wallet, and oh yeah...there's that dead rodeo queen Lucy just stumbled over. Good thing her boyfriend's a detective. Except that's not going so well either. A new detective is in town, and he's

convinced Lucy's involved in the rodeo queen's murder. Her boyfriend is no help at all and worse he's spending a little too much time with his ex-wife. Lucy finds herself out of money, out of love, and maybe this time, out of luck. Loosey Goosey You can choose your friends, but you can't choose your family. You can though move two thousand miles away and hope they don't come to visit. Unfortunately, for Lucy Mathews that only works for so long. Lucy has a perfect week planned. The kind of week that includes a romantic dinner with her cowboy detective boyfriend, big dollar sales to the visiting Beef Ranchers Association and their wives, and maybe a relaxing holiday weekend at home with her Alaskan malamute, Kiska. What she doesn't have planned is a visit from her animal activist brother, his pet goose, Pauline, and his neon yellow van. Lucy's plans quickly go to the birds. First, her date is interrupted by brother and goose. Second she discovers a dead body, under her brother's van. Then, when her brother gets arrested for the murder, the worst thing imaginable happens, Lucy's mother finds out. Not only is Lucy left in charge of babysitting the recalcitrant goose, but her mother is threatening to come to Montana herself to solve the murder. Lucy has no choice but to dive into the investigation, and find the real murderer before her brother is put away for good. Captain Francis Crozier was a major figure in 19th century Arctic and Antarctic exploration who led the doomed Franklin Expedition's battle to survive against the odds. It is a

compelling story which refuses to be laid to rest and recent discovery of his lost ships above the Arctic Circle gives it a new urgency. The ships may hold vital clues to how two navy vessels and 129 men disappeared 170 years ago and why Crozier, in command after Franklin's early death, left the only written clue to the biggest disaster in Polar history. Drawn from historic records and modern revelations, this is the only comprehensive account of Crozier's extraordinary life. It is a tale of a great explorer, a lost love affair and an enduring mystery. Crozier's epic story began comfortably in Banbridge, Co Down and involved six gruelling expeditions on three of the 19th century's great endeavours – navigating the North West Passage, reaching the North Pole and mapping Antarctica. But it ended in disaster. Includes entries for maps and atlases. Everyone has a secret, who can a queen trust? Upon Queen Elizabeth's order, Audrey Hayes travels to the borderlands of Scotland to learn where the fierce Laird Armstrong's loyalties lie. Is he aligned with his mother's English roots in support of the queen, or does he hold with the beliefs of his father, who wishes to see Mary of Scots on the English throne? The fate of Audrey's family rests on her success in finding the answer. After losing his lands in a wager and being betrayed by his kin, Gavin Armstrong entered a loveless marriage to obtain the funds to buy back his family home, Warring Tower. Now a widower, struggling against countless boarder wars, he is on the verge of losing his home and lands

again. With few resources, he reluctantly makes another risky wager, one he cannot hope to win without trusting the secretive Audrey Hayes, a woman he suspects is an English spy. As the two work together to save Warring Tower, their attraction to one another grows. But when Audrey finally gains the information she seeks for Queen Elizabeth, she realizes that the only way she can save her family is to betray the man she loves. ?????????? This book kept me guessing, and I couldn't put it down. It held me glued to the pages until the surprising end! -

Goodreads reviewer Eva Rae Thomas is in over her head on her first assignment as an FBI-profiler in multi-million-copy bestselling author Willow Rose's nail-biting mystery. When mother of two, Arlene Wood crashes her car against a tree at four in the morning, the case seems pretty straightforward. But evidence found in the remains of the car soon raises the question of whether this was really an accident. Shortly after, her husband is taken in and later convicted of having murdered his own wife. But a lot of questions still remain unanswered. Why was Arlene driving in the middle of the night? Why did she leave the house, her husband, and her sleeping children, get into her car, and drive away? Was she meeting someone? A friend? A lover? A killer? Six years later, fresh out of training, FBI-profiler Eva Rae Thomas is new on the job when she stumbles upon something that suddenly blows this case wide open. But can she persuade anyone to reopen the case when even the husband is

convinced that he is guilty? And will she be able to do it in time before this killer strikes again? This mystery novel is the prequel to the #1 bestselling Eva Rae Thomas Mystery Series. The Eva Rae Thomas Mystery series has more than 15,000 five-star reviews on Goodreads!

Stranger Things meets The X-Files in this eerie, heart-pounding middle grade adventure about a young boy and girl who must protect their small town from otherworldly forces threatening to destroy it. Rae's father vanished without a trace—and Rae knows what happened to him. But no one believes her when she says that her father didn't run off, that he was actually taken. Now, a year of therapy later, Rae's mother decides they need a fresh start, and so they move to a new town in the hope that life can return to normal. The problem is, there is nothing normal about the town of Whispering Pines. No one knows this better than Caden. He's lived in Whispering Pines his entire life, and he's seen more than his fair share of weird—starting with his own family, as the town is the perfect home base for his mother's ghost hunting business. When several kids go missing and then show up like zombies with their eyes removed, many locals brush it off. Just another day in Whispering Pines. But Caden has a dark secret, one that may explain why someone is stealing eyes. And Rae, who knows how it feels to not be believed, may be just the person Caden needs to help him put things right. I didn't expect a phone call to crack the bedrock of my life. How easy it is to forget we are all

floating on molten lava...and tectonic shifts happen all the time... Carlos was the one who felt my phone vibrating; it was under one of the napkins we'd used for our picnic lunch. I found it, and glancing quickly at the "UNKNOWN" on the caller ID, picked it up. While used to calls from unknown places, I was not used to calls from this guy. "Sydney, how are you?" I didn't recognize his voice right away. Rolling away from Carlos, I sat up. "I'm sorry, but I don't know who this is." It was when he laughed that I recognized him. "Robert Maxim?" He laughed again. "I'm glad you remember me. My heart would be broken if I could be so easily forgotten." I stood up, Carlos looked up at me, a question in his eyes. I shook my head and stepped away from our blanket. My dog, Blue, a huge wolf-like creature with one blue eye and one brown followed me, keeping at a heel. "Forget you, Bobby Maxim? In order to do that I'd need a lobotomy." "With your penchant for revenge, I half expect to see you bursting through my closet doors some day, guns blazing." I laughed. "Who says I'm not in there right now?" "I know exactly where you are. I've been keeping very good track of you." I looked around the park. Gentle green hills spotted with couples and groups of friends lounging on blankets dominated the landscape. On a field below me a soccer match was beginning to form. A woman ran by in a skin-tight suit, nothing on her jiggled. "Are you here now?" "No, no. I'm calling to ask a favor." Carlos waved, letting me know he was going to join the

soccer game. I nodded back, forcing a smile onto my lips. "I'm not doing you any favors," I said to Robert. "It seems you're not totally clear on the fact that you took something from me." "Sydney, I don't understand this animosity. I was just doing you a favor." "A favor!" My raised voice attracted the attention of several groups of Londoners trying to enjoy their first day of sun. "You bastard," I hissed quietly. "I hope you rot in hell." "I'm sorry I didn't do it sooner, darling." "You're insane!" I was yelling again. I took a deep breath. In through my nose, out through my mouth. Blue tapped his muzzle against my hip to let me know he was still there. "Sydney, I didn't know what you two had planned. I would have killed Kurt long before you showed up. Remember, I'm not the one who left my fingerprints behind; whose blood was spilled all over the floor. You took yourself down, it had nothing to do with me." He said it in an off-hand way. Like I was being petty and missing the big picture. "You killed him," I whispered, trying to control my anger, but I was shaking. "That was my right. Kurt Jessup murdered my brother and I should have been the one to end him." "At the time I had no idea about that. Mulberry didn't tell me what you were planning, just that we had a problem. I had no intention of stifling your little revenge act. If anyone should be pissed it's me. At least you got the treasure." I stood on the green feeling lightheaded. It was like Bobby Maxim was taking the world and flipping it upside down. "What are you talking about? Mulberry told you that?"

"Oh Cher, you didn't know?" Maxim's voice rose an octave, teasing and dripping with syrup. A cold knowledge traveled from my toes right up to my brain. My best friend betrayed me, our relationship was built on a lie. P.S. The dog does not die. \*\*Beware: If you can't handle a few f-bombs, you can't handle this series.\*\* I am a demon witch, and the punishment is death. I should have listened to my uncle when he told me not to go to that party, but it was the party of the century. And I had spent way too much time being the mopey emo witch girl whose parents had died serving "the man". Next I know it, I am begging for my life after having been turned into an abomination against my will; an illegal blood witch who is too dangerous to live. The only mercy I'm offered is to attend the same academy that trained my father to be a demon-killing machine, which ultimately led to his death. It's be a slave to the Magistrate, the paranormal council in the United States, or die the day after my 18th birthday. So, with barely a goodbye I'm shipped off to the elite Paranormal Hunter Academy where I meet the most infuriating and intriguing men I've ever seen, and they just so happen to be natural enemies. What reviewers are saying: "I was hooked from the beginning and read it in one sitting." ????? "Fascinating! Rae dazzles this incredibly fascinating approach, spinning all the shenanigans and mayhem, with such ingenuity, imagination, immense passion and unique insight, welding this sparkling jewel together sleek, shiny and

tight. A tumultuous wild ride chocked-full of unexpected circumstances and thrilling mishaps, blasts those swirling emotions into play, booting this glittering jewel into a roaring tempest, catapulting it into a tailspin with a mind-blowing culmination." ????? "This book is freaking awesome. The characters are crafty and the plot was twisty and mysterious. I love it." ?????

Paisley Sterling has no idea of the trouble she's getting into when she and her teenaged daughter are called home for a family funeral. Paisley's mother, the elegant and stylish Anna Howard Sterling is delighted when they decide to extend their visit after Paisley's New York townhouse is rented out from under her. Things are going well until Anna discovers she has been cheated out of a sizable inheritance. Convinced that her favorite cousin was murdered, she decides to seek revenge by persuading Paisley to assume the persona of the intrepid Leonard Paisley, hard-boiled detective and write a fictitious expose of the crime. Leonard's novel is a huge success and life on Meadowdale Farm couldn't be happier -- until the thinly veiled accusations in the book provoke a lawsuit. Faced with financial ruin, mother, daughter and granddaughter fight to protect the home that has been in their family for generations by unmasking the real killer... A fascinating journey through history and

culture, examining how makeup affects self-empowerment, how people have used it to define (and defy) their roles in society, and why we all need to care. There is a history and a cultural significance that comes with wearing cat-eye-inspired liner or a bold red lip, one that many women feel to this day, even if we don't realize exactly why. Increasingly, people of all genders are wrestling with what it means to be a woman living in a patriarchy, and part of that is how looking like a woman—whatever that means—affects people's real lives. Through the stories of famous women like Cleopatra, Empress Wu, Madam C. J. Walker, Elizabeth Taylor, and Marsha P. Johnson, Rae Nudson unpacks makeup's cultural impact—including how it can be used to shape a personal or cultural narrative, how often beauty standards align with whiteness, how and when it can be used for safety, and its function in the workplace, to name a few examples. Every woman has had to make a very personal choice about her relationship with makeup, and consciously or unconsciously, every woman knows that the choice is never entirely hers to make. This book also holds space for complicating factors, especially the ways that beauty standards differ across race, class, and culture. Engaging and informative, *All Made Up* will expand the discussion around what it means to participate in creating your own self-image. Smart, warm, telling, and funny, *Funny, You Don't Look Like a Grandmother* is the perfect bouquet for today's grandmother, that active and interesting woman who is old enough to be somebody's grandmother and young enough to run around the world. Lois Wyse's new book, charmingly illustrated by Lilla Rogers, is a collection of wit and wisdom for today's Nana, Grandma, Goo-Goo, or Gran. How can you recognize today's grandmother? Easy, says Wyse. The grandmother is the one who goes out more and complains less than her daughter. In the spirit of Erma Bombeck and Bill Cosby, Lois Wyse tells loving and amusing stories that illustrate the joys of contemporary grandmothing. According to Lois Wyse, "A mother becomes a true grandmother the day she stops noticing the terrible things her children do because she is so enchanted with the wonderful things her grandchildren do." Contemporary grandmothers and their children and grandchildren will see themselves in these reflections of family life that include everything from how it feels to become a grandmother to gentle advice on parenting and career grandmothers. *Funny, You Don't Look Like a Grandmother* is the first nontraditional book about grandmothers who may not look like grandmothers -- but

who love as deeply as the generations of grannies who preceded them. Join Rae Kerrigan in this bestselling series & start one amazing adventure! Her mother & father died when she was young and it's only when she accepts a scholarship to the prestigious Guilder Boarding School in England that a mysterious family secret is revealed. Will the sins of the father be the sins of the daughter? As Rae struggles with new friends, a new school & a star-struck forbidden love, she must also face the ultimate challenge: receive a tattoo on her 16th birthday with specific powers that may bind her to an unspeakable darkness. It's up to Rae to undo the darkness in her family's past and have a ray of hope for her future. Book 2 - Dark Nebula Nothing is as it seems anymore. Leery from the horrifying incident at the end of her first year at Guilder, Rae's determined to learn more about her new tattoo. Her expectations are high, but all hopes of happiness turn into shattered dreams the moment she steps back on campus. Lies & secrets are everywhere, and a betrayal cuts Rae deeply. Among her conflicts & enemies, it appears her father is reaching out from beyond the grave to ruin her life. With no one to trust, Rae doesn't know who to turn to for help. Has her destiny been written? Or will she become the one thing she hates the most-her father's prodigy. Book 3 - House of Cards

Rae Kerrigan is 3 months away from graduating from Guilder. She's now moonlighting as an operative for the Privy Council, a black ops division for British Intelligence. She's given a mentor, Jennifer, who fights like a demon. Rae finds a strange maternal bond with her. At the same time, she finds a new friend when Devon disappoints her once again. . When the Privy Council ask for her help, she finds a friend, and a link, to the Xavier Knights – another agency similar to the Privy Council. Will she lose herself in the confusions of the past and present? What will it mean for her future? Book 4 - Royal Tea The Queen of England has requested the help of the Privy Council. Someone is trying to kill her son's fiancé. The HRH Prince plans to marry a commoner, and his bride has a secret no one knows but the Privy Council. She has a tatù. When the Privy Council turns to Rae for help, she can't possibly say no; not even when they make Devon her partner for this assignment. Rae would rather be anywhere but with Devon, especially since she believes her mother to be alive, despite the Privy Council's assurances to the contrary. How can Rae find proof of life for her mother, come to terms with her feelings for Devon, and manage to save the Princess, all while dressed for tea? When the enigma, the secrets and the skeletons in the closet begin to be exposed, can Rae handle the truth? Book 5 - Under Fire Rae Kerrigan is determined to find her mother. No amount of convincing from Devon, or the Privy Council, is going to make her

believe her mother is not alive, and Rae will stop at nothing to find her. Torn between friendship and loyalty, Rae must also choose between Luke and Devon. She can't continue to deny, or fool herself, any longer. The heart wants what the heart wants. Book 6 - End in Sight When life couldn't get anymore confusing, fate steps in and throws a curveball. Former FBI profiler Eva Rae Thomas returns in Willow Rose's most nail-biting thriller yet. Ex-agent Eva Rae Thomas is on the run. The past month she has done things she never knew she was capable of while hunting for her kidnapped daughter. Eva Rae has risked everything, -her career, -her newfound love, -her freedom. She's looking for the man they call the Iron Fist. The trail has led her to Miami. Meanwhile, Miami is under attack. Hundreds of passengers in the Metrorail are exposed to a deadly nerve gas on a peaceful Monday morning. When Eva Rae Thomas sees her daughter on the surveillance footage from the attack, she knows it is no coincidence. But by the time she uncovers the chilling truth of how it is all connected, it might be too late. NEVER EVER is the third book in the Eva Rae Thomas Mystery Series and can be read as a standalone. In Archer Mayor's intriguing new Vermont-based mystery, The Orphan's Guilt, a straightforward traffic stop snowballs into a homicide investigation after Joe Gunther and his fellow investigators peel back layer upon layer of history and personal heartbreak to learn a decades-old hidden truth. John Rust is arrested for drunk driving by a

Vermont state trooper. Looking to find mitigating circumstances, John's lawyer hires private eye Sally Kravitz to look into the recent death of John's younger brother, purportedly from a childhood brain injury years earlier. But what was the nature of that injury, and might its mechanism point more to murder than to natural causes? That debate brings in Joe Gunther and his team. Gunther's efforts quickly uncover an ancient tale of avarice, betrayal, and vengeance that swirled around the Rust boys growing up. Their parents and the people they consorted with—forgotten, relentless, but now jolted to action by this simple set of circumstances—emerge with a destructive passion. All while the presumably innocent John Rust mysteriously vanishes with no explanation. Three wives, one letter, and an explosive secret that will change everything. He said, she said. Who do you believe? Jessica, Stephanie and Priyanka are complete strangers, but they have one thing in common: they've each received a letter accusing their husbands of committing a sexual assault more than two decades prior. Is the accusation true or is there more to the story? It was a secret that remained buried for years. With their worlds suddenly turned upside down, they don't know who to trust—a complete stranger or the men they love and built their lives with. The three women come together to embark on a hunt for the truth, but they are hardly prepared for what they will discover. Who is the victim, and will justice ultimately be served? Can Eva Rae convince local law enforcement to help her with this case before the killer strikes once more? Or will she have to take matters into her own hands - again? Scroll up and grab an exhilarating suspenseful mystery today. ?????????? Very suspenseful up to the last page. One of my new favorites. Secrets lead to lies and lies to murder in this pulse-pounding mystery with lots of shocking twists. Has former FBI-profiler Eva Rae Thomas finally gotten herself in deeper than she can handle? When the body of Nancy Henry is pulled out of the water of Sykes Creek by two local fishermen, they soon realize she's not dead. Not yet. Before she disappeared, Nancy Henry appeared to have everything: a successful husband who adored her, two beautiful children, a modeling career, and a charming home in south Merritt Island with a heart wreath on the door. Now that she is back five years later, everything has changed. Her husband is with

another wife, and her children are almost grown. Everywhere she turns, people are telling her the same thing: We thought you were dead. What happened to her? Nancy claims she doesn't know where she has been. She remembers nothing after a blow to her head. She doesn't want to talk to the investigation team lead by former FBI-profiler Eva Rae Thomas, who has agreed to help with this bizarre case. The sheriff's office soon wants to give up on the case, but Eva Rae doesn't quite believe in quitting. She sees fear in Nancy Henry's eyes that makes her think she is lying to them, maybe to protect herself. What secrets is she carrying? To get to the truth, Eva Rae must get to the bottom of what really happened on that night five years ago when Nancy Henry disappeared from her home in what looked like a home intrusion. But the past isn't always easy to dig up, especially not when someone wants it to stay hidden and will go to great lengths to make sure it does. Someone obviously tried to kill Nancy Henry. Will they come back to finish what they started? David Woodman's reconstruction of the mysterious events surrounding the disappearance of two British exploration vessels in 1845, under the command of Sir John Franklin, challenges standard interpretations and promises to replace them. Among the many who have tried to discover the truth behind the Franklin disaster, Woodman recognizes the profound importance of the Inuit testimony and analyzes it in depth. He concludes from his investigations that the

Inuit probably did visit Franklin's ships while the crew was still on board and that there were some Inuit who actually saw the sinking of one of the ships. He maintains that fewer than ten bodies were found at Starvation Cove and that the last survivors left the cove in 1851, three years after the standard account assumes them to be dead. Woodman also disputes the conclusion of Owen Beattie and John Geiger's book *Frozen in Time* that lead-poisoning was a major contributing cause of the disaster.

FBI-profiler Eva Rae Thomas faces a devious plan in multi-million-copy bestselling author Willow Rose's blood-rushing thriller of murder and revenge. A girl falls from the penthouse floor of an apartment in Washington, D.C. Media Mogul Richard Wanton owns the apartment and is seen standing on the balcony when the girl falls. He is accused of killing her, but the FBI struggles to find enough solid evidence to convict him. They have a witness, someone who was in the apartment when it happened, but she doesn't want to talk to them. She'll only speak to one person, ex-FBI profiler Eva Rae Thomas.

The problem is, Eva Rae Thomas has no interest in talking to her. As a matter of fact, she'd rather see this woman dead than have to face her. But Eva Rae Thomas isn't someone who can leave a case alone, especially not when she starts to ask questions and things aren't adding up. As she digs in deeper—with the entire world watching—she soon finds herself in too deep and realizes she can't trust anyone's motives. But by then, it is too late, and the

killer is already tracking her down. ?????????? This book kept me guessing, and I couldn't put it down. So many twists and turns. It hold me glued to the pages until the surprising end! - Goodreads reviewer

What do we do when the truth hurts too much? Fresh out of the national academy - mother of two - FBI profiler Eva Rae Thomas is in over her head on her first assignment in multi-million-copy bestselling author Willow Rose's breathtaking mystery. When the mother of two, Arlene Wood, crashes her car against a tree at four in the morning, the case seems pretty straightforward. But evidence found in the remains of the car soon raises the question of whether this was really an accident. Shortly after, her husband is taken in and later convicted of having murdered his own wife. But many questions remain unanswered. Why was Arlene driving in the middle of the night? Why did she leave the house, her husband, and her sleeping children, get into her car, and drive away? Was she meeting someone? A friend? A lover? A killer? Six years later, Special Agent Eva Rae Thomas is new on the job when she stumbles upon something that suddenly blows this case wide open. But can she persuade anyone to reopen the case even when the husband has admitted that he is guilty? And will she be able to do it in time before this killer strikes again? This mystery novel is the prequel to the #1 bestselling Eva Rae Thomas Mystery Series. The series has more than 15,000 five-star reviews on Goodreads! Valley of the Dolls was sexy, shocking, and

unrelenting in its revelations of the dangers facing women who dare to chase their most glamorous dreams. It shot to the top of the bestseller lists in 1966 and made Jacqueline Susann a superstar. It remains the quintessential big, blockbuster, must-read, can't-put-down bestseller. Before her death in 1974, Susann spent many months working on a draft for a sequel that continued the stories of Anne Welles, Neely O'Hara, and Lyon Burke. Now, after nearly thirty years, the perfect writer has been found to turn Susann's deliciously ambitious ideas into a novel that matches the original shock for shock and thrill for thrill. In Jacqueline Susann's *Shadow of the Dolls*, Rae Lawrence — herself a bestselling author — picks up the story in the late '80s and brings it right into the new century. Long a devoted “Valley” girl herself, Rae has reimagined the original characters in a contemporary reality (and adjusted their ages just a bit), exactly as Jackie would have wanted her to. And if you've never read *Valley of the Dolls*, no matter. Sometimes the present is even more surprising and fun when you don't remember the past. And what a story! Neely's golden voice has brought her fame and success, but now she craves acceptance in social circles where her kind of celebrity means nothing at all. Anne, born and bred in those very circles, must choose between returning home or pursuing a fabulous television career — and the kind of passion she once knew with Lyon. And Lyon, who loses everything including Anne, looks for happiness in the most

unexpected of places. Taking us behind the closed doors of New York, East Hampton, and Los Angeles, whetting our appetites for more with a new generation of young women and men who grow up far too fast, and spicing the whole story with a generous sprinkling of sex, drugs, and cosmetic surgery, Jacqueline Susann's *Shadow of the Dolls* is the ultimate beach read for our time. But feel free to devour it any time of the year, wherever you are. It's been a long time since readers had this much fun between the covers. It's time to jump back in. Anne Welles . . . She finds the courage to leave the only man who ever made her feel like a woman . . . She fights her way to the top of a television career that is even more cutthroat than she's been warned . . . She finds security and contentment with the kind of man she was destined to marry . . . Now she must choose between destiny and her dreams. Neely O'Hara . . . Her talents take her to the top, while her troubles drag her through rehab after rehab . . . She grasps at the things Anne has turned her back on (her class, her man) . . . She always knows exactly what she wants, and will do whatever it takes to make her dreams come true. Lyon Burke . . . He takes lovers over love . . . He hustles other people's talent while neglecting his own . . . He always knows how to look, which restaurants offer the perfect drink and the most cachet, who to pursue, and where to find the best percentage . . . He waits so long to realize his dreams that in the end it may be too late. Jacqueline Susann's *Valley of the Dolls* was one of the

sexiest, most shocking, and most sensational novels ever to fly off the shelves. Now, thanks to bestselling novelist Rae Lawrence — working from Susann's own draft for a sequel — the fun has just begun. “Any Sign of Life is a heartbreaking story filled with courage, friendship, and personality. Paige Miller is the perfect team-up buddy in an apocalypse. I was with her when she lost everything, and stood right next to her when she took it all back.”—Wesley Chu, #1 New York Times–bestselling author of the War Arts Saga “A timely update to classic postapocalyptic YA.”—Publishers Weekly (starred review) “A smart, suspenseful thriller. Totally un-put-down-able.”—Kirkus Reviews

When a teenage girl thinks she may be the only person left alive in her town—maybe in the whole world—she must rely on hope, trust, and her own resilience. A harrowing and pulse-pounding survival story from New York Times–bestselling author Rae Carson. Any Sign of Life is a must-have for readers of Rick Yancey’s *The 5th Wave* and Neal Shusterman and Jarrod Shusterman’s *Dry*. Paige Miller is determined to take her basketball team to the state championship, maybe even beyond. But as March Madness heats up, Paige falls deathly ill. Days later, she wakes up attached to an IV and learns that the whole world has perished. Everyone she loves, and all of her dreams for the future—they’re gone. But Paige is a warrior. She pushes through her fear and her grief and gets through each day scrounging for food, for shelter, for safety. As she struggles with her new

reality, Paige learns that the apocalypse did not happen by accident. And that there are worse things than being alone. New York Times–bestselling author Rae Carson tells a contemporary and all-too-realistic story about surviving against the odds in this near-future thriller. Any Sign of Life will electrify fans of Rory Power’s Wilder Girls and Emily St. John Mandel’s Station Eleven. As seen in Star Wars: The Last Jedi, welcome to the casino city of Canto Bight. A place where exotic aliens, captivating creatures, and other would-be high rollers are willing to risk everything to make their fortunes. Set across one fateful evening, these four interconnected stories explore the deception and danger of the lavish casino city. • An honest salesman meets a career criminal as a dream vacation turns into the worst nightmare imaginable, in a story by Saladin Ahmed. • Dreams and schemes collide when a deal over a priceless bottle of wine becomes a struggle for survival, as told by Mira Grant. • Old habits die hard when a servant is forced into a mad struggle for power among Canto Bight’s elite, in a tale by Rae Carson • A deadbeat gambler has one last chance to turn his luck around; all he has to do is survive one wild night, as told by John Jackson Miller. In Canto Bight, one is free to revel in excess, untouched from the problems of a galaxy once again descending into chaos and war. Dreams can become reality, but the stakes have never been higher—for there is a darkness obscured by all the glamour and luxury. David Woodman's classic

reconstruction of the mysterious events surrounding the tragic Franklin expedition has taken on new importance in light of the recent discovery of the HMS Erebus wreck, the ship Sir John Franklin sailed on during his doomed 1845 quest to find the Northwest Passage to Asia. First published in 1991, *Unravelling the Franklin Mystery* boldly challenged standard interpretations and offered a new and compelling alternative. Among the many who have tried to discover the truth behind the Franklin disaster, Woodman was the first to recognize the profound importance of Inuit oral testimony and to analyze it in depth. From his investigations, Woodman concluded that the Inuit likely visited Franklin's ships while the crew was still on board and that there were some Inuit who actually saw the sinking of one of the ships. Much of the Inuit testimony presented here had never before been published, and it provided Woodman with the pivotal clue in his reconstruction of the puzzle of the Franklin disaster. *Unravelling the Franklin Mystery* is a compelling and impressive inquiry into a part of Canadian history that for one hundred and seventy years left many questions unanswered. In this edition, a new preface by the author addresses the recent discovery and reviews the work done in the intervening years on various aspects of the Franklin story, by Woodman and others, as it applies to the book's initial premise of the book that Inuit testimony holds the key to unlocking the mystery. Parasite meets *The Good Son* in this piercing psychological portrait of three women haunted by a brutal, unsolved crime. In the summer of 2002, when Korea is abuzz over hosting the FIFA World Cup, eighteen-year-old Kim Hae-on is killed in what becomes known as the High School Beauty Murder. Two suspects quickly emerge: rich kid Shin Jeongjun, whose car Hae-on was last seen in, and delivery boy Han Manu, who witnessed her there just a few hours before her death. But when Jeongjun's alibi checks out, and no evidence can be pinned on Manu, the case goes cold. Seventeen years pass without any resolution for those close to Hae-on, and the grief and uncertainty take a cruel toll on her younger sister, Da-on, in particular. Unable to move on with her life, Da-on tries in her own twisted way to recover some of what she's lost, ultimately setting out to find the truth of what happened. Shifting between the perspectives of Da-on and two of Hae-on's classmates struck in different ways by her otherworldly beauty, *Lemon* ostensibly takes the shape of a crime novel. But identifying the perpetrator is not the main objective here: Kwon Yeo-sun uses this well-worn form to craft a searing, timely exploration of

privilege, jealousy, trauma, and how we live with the wrongs we have endured and inflicted in turn. A decodable book featuring four phonics stories specially designed to help children of all abilities overcome language-based learning difficulties. Meg and Greg are off on a series of summer adventures around their neighborhood, along with some four-legged companions. The two friends pull off a bake sale despite back-to-back disasters in the preparations, save the day for Greg's mom when her ballet studio floods, rescue the neighbor's dog after he slips down a slope into a cove, and discover a lost cat with newborn kittens sheltering in a dangerous spot in the garden. Meg and Greg: The Bake Sale is the third book in the Orca Two Read series designed for shared reading between a child learning to read or struggling to read and an experienced reader, following Frank and the Skunk and A Duck in a Sock. Inside you'll find four stories that introduce one new phonogram (a letter or combination of letters that represent a sound) in each story. This book focuses on the "magic e": a-e, e-e, i-e, o-e, and u-e phonograms. The stories have special features to help a child with dyslexia or another language-based learning difficulty find reading success. Praise for the Orca Two Read series: "A thoughtfully designed storybook adds another helpful tool to the box for readers who need support." - Kirkus for Frank and the Skunk "A unique approach to high-interest texts for reluctant burgeoning readers, this book offers phonics fun wrapped

in serious research-based success.” - School Library Journal for A Duck in a Sock “The stories offer both flashes of humor and plenty of action to drive the instructional intent.” - Booklist for A Duck in a Sock ?
