From Here to Eternity Comme un torrent

A collection of the author's war writings includes selections from "From Here to Eternity," "The Thin Red Line," and "Whistle," and including his first novel, "They Shall Inherit Laughter" James Jones:

The Limits of Eternity is the first detailed critical study of American author James Jones' works placing him as an important figure within the context of twentieth century literature rather than his present status as a war novelist. It presents a comprehensive view of his entire work seeing him as a critical commentator of American values in the era in which he wrote. This book will be of interest to academics and students, as well as general readers interested in issues of American history, literature, gender, and sexuality. The #1 New York Times bestseller—a thrilling and seductive Cinderella love story from E L James, author of the phenomenal bestselling Fifty Shades Trilogy.

Clasping her plait at the base of her neck, I tug lightly, bringing her lips up to mine. "Alessia," I breathe, and kiss her again, softly, slowly. She stills in my arms, then brings her hands up to clutch my biceps, closing her eyes as she accepts me. I deepen the kiss, my tongue teasing her lips, and she opens her mouth. She tastes of warmth and grace and sweet seduction. London, present day. Life has always been easy for Maxim Trevelyan, the "spare" to the earldom of Trevethick. With his good looks, aristocratic connections, and money, he's never had to work, and he's rarely slept alone. But all that changes when tragedy strikes and Maxim inherits his family's title, wealth, and estates, and the responsibility that entails. It's a role he's not

prepared for and one he struggles to face. But his biggest challenge is fighting his desire for an unexpected, enigmatic young woman who's recently joined his staff. Reticent, beautiful, and musically gifted, she's an alluring mystery, possessing little more than a dangerous and troublesome past. As Maxim's longing for her deepens into a passion he's never experienced and dares not name, he's left to wonder just who is Alessia Demachi? And can he protect her from the malevolence that threatens her? From the heart of London through wild, rural Cornwall to the bleak, forbidding beauty of the Albanian Balkans, *The Mister* combines the sensuality of a modern Regency romance with the danger, desire, and adventure of E L James's captivating storytelling, leaving the reader breathless to the very last page. Short stories by the award-winning author of *From Here to Eternity*: "One of the significant writers of his generation" (The New York Times Book Review). In his introduction to this collection of sharply crafted short stories, James Jones compares novel writing to a long-term, chronic illness. Writing short stories, he says, is like a brief, intense fever: the kind that can kill or disappear in a matter of days. Although best known for epic war novels such as *From Here to Eternity* and *The Thin Red Line*, Jones also wrote short stories, and the ones in this volume burn with deadly intensity. Besides the expected stories of the soldier's life,

Jones gives us something surprising: five stories of childhood, tender and horrifying at the same time, inspired by his early life in the Depression-stricken Midwest. They and the other shorts in this volume are accompanied by author's notes, which supplement Jones's introduction, and a preface by his daughter, Kaylie Jones. This ebook features an illustrated biography of James Jones including rare photos from the author's estate. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. After a devastating tornado passes, a young boy finds himself all alone with two horses, one dying and the other badly injured. Three classic World War II novels in one collection, including the National Book Award winner *From Here to Eternity*. An army base at Pearl Harbor. The jungles of Guadalcanal. A veterans hospital on the home front. Inspired by his own experiences in the US Army, author James Jones's *World War II Trilogy* stands as one of the most significant achievements in war literature. This compilation includes: *From Here to Eternity* Pearl Harbor, 1941. A challenging young private is transferred to a unit where the commander is determined to make his life hell. This edition

includes scenes and dialogue censored for the novel's original publication. A true classic, *From Here to Eternity* was made into an Academy Award-winning film and a television mini-series, as well as adapted for the stage. *The Thin Red Line* The invasion of Guadalcanal ignites a six-month battle for two thousand square miles of jungle and sand. But the soldiers of Charlie Company are not of the heroic mold. The unit's captain is too intelligent and sensitive for the job, his first sergeant is half mad, and the enlisted men begin the campaign gripped by cowardice. This searing portrait of jungle combat has been adapted twice for feature films. *Whistle* After a long journey across the Pacific, a ship finally lands on American soil. For the soldiers' loved ones, it's a celebration. But on board, hundreds of men are broken and haunted, survivors of the battle to wrest the South Seas from the Japanese Empire. Though on their way to heal in a Tennessee hospital, their road to recovery will take far more than mending physical wounds. This ebook features an illustrated biography of James Jones including rare photos from the author's estate. *A Vacation in the Greek Islands* becomes complicated when a private eye is drawn into the murky waters of international hashish smuggling. His name is Frank Davies, but friends and clients call him Lobo. A private eye with a law degree, Lobo doesn't like to get rough but he'll do it for a friend. When a rich friend sends him to

Paris to retrieve some stolen money, he earns himself a trip to Greece as a reward. It's supposed to be a vacation, but as soon as he arrives he's working again. First his landlady, an English woman married to a Greek, asks his help bringing her cheating husband to heel. Though he doesn't like her, he finds himself morbidly fascinated by her train wreck of a marriage. Then he meets a countess with a blackmail problem, and offers her a little pro-bono work. As he digs beneath the island's sunny surface, Lobo learns that no matter how beautiful the scenery, secrets are always ugly. This ebook features an illustrated biography of James Jones including rare photos from the author's estate.

""This story of James Jones and the Handy Colony is a popular account of one of the most unusual writing colonies ever established in the United States. Between his Army enlistment in 1939 and the wound that sent him to a Memphis hospital in 1943, James Jones suffered the loss of both his mother and his father, a victim of suicide. Psychologically precarious, Jones drank heavily, often brawling in bars. Concerned about his erratic behavior, his aunt took Jones to meet Lowney Handy, who took virtual control of his life, securing his discharge from the army and, with her husband Harry, inviting him into their home. Lowney became Jones's writing teacher and his lover. An aspiring but unpublished writer when she began the Handy Writers Colony in

Marshall, Illinois, Lowney Handy developed a reputation as an inspirational teacher of writing. Her husband, an oil refinery executive from nearby Robinson, supported her in this endeavor, which proved quite successful. The Handy colony achieved national attention through the success of Jones, its most celebrated member and the author of "From Here to Eternity" and "Some Came Running."

"Letters from London collects these essays for the first time in seventy years. It is an essential record of a crucial period in James's life. His London is an intellectual ferment of politics and poetry and all-night conversations in lodging-house rooms, peopled by radical young Englishmen and liberated young Englishwomen, and students from every reach of the British Empire."--BOOK JACKET. James Jones's saga of life in the American Midwest, newly revised five decades after it was first published and including a new foreword by his daughter, Kaylie Jones After the blockbuster international success of From Here to Eternity, James Jones retreated from public life, making his home at the Handy Writers' Colony in Illinois. His goal was to write something larger than a war novel, and the result, six years in the making, was Some Came Running, a stirring portrait of small-town life in the American Midwest at a time when our country and its people were striving to find their place in the new postwar world. Five decades later, it has been revised and reedited

under the direction of the Jones estate to allow for a leaner, tighter read. The result is the masterpiece Jones intended: a tale whose brutal honesty is as shocking now as on the day it was first published. This ebook features an illustrated biography of James Jones including rare photos from the author's estate. A novel of army life in the calm before Pearl Harbor: A New York Times bestseller, a National Book Award winner, and "one of the great books of our time" (Newsday). At the Pearl Harbor army base in 1941, Robert E. Lee Prewitt is Uncle Sam's finest bugler. A career soldier with no patience for army politics, Prewitt becomes incensed when a commander's favorite wins the title of First Bugler. His indignation results in a transfer to an infantry unit whose commander is less interested in preparing for war than he is in boxing. But when Prewitt refuses to join the company team, the commander and his sergeant decide to make the bugler's life hell. An American classic now available with scenes and dialogue considered unfit for publication in the 1950s, *From Here to Eternity* is a stirring picture of army life in the months leading up to the attack on Pearl Harbor. This ebook features an illustrated biography of James Jones including rare photos from the author's estate. As Japanese planes attack Pearl Harbor, an army private commits a simple crime that will change his life forever. Richard Mast is a misfit in the infantry unit

at Pearl Harbor. A bright mind in a sea of grunts, his only joy on the morning of December 7, 1941, is that today he has guard duty, which means he gets to carry a pistol. Usually reserved only for officers, the close-quarters weapon is coveted by every man in the infantry for its beauty and the sense of strength it gives the wearer. Mast intends to return the gun at the end of his shift—until the Japanese Navy intervenes. Turmoil erupts when the first bombs fall, and as the Army scrambles to organize its response to the swarm of enemy aircraft, Mast decides to hang on to the weapon, becoming a criminal on the day his country most needs heroes. This ebook features an illustrated biography of James Jones including rare photos from the author's estate. Discusses not only the physical benefits of running, but its psychological benefits as well: increasing self-esteem, acquiring a "high" from running, and being able to cope better with pressure and tension. Yep, it still sells. A family of intellectuals comes apart at the seams during the 1968 student revolts in Paris The Parisian student revolts of May 1968 shook the country—and the European continent—to its foundations. In a tradition-obsessed nation where the old-guard bourgeoisie had spent decades oppressing youthful unrest, every flavor of rage suddenly had a voice. Hill Gallagher is there—a brash young intellectual grown tired of pretending that the world doesn't

make him angry. Despite the protests of his screenwriter father, he becomes involved in the movement, joining in on protests with the fervor of a man who isn't afraid to destroy his country—or his family. In *The Merry Month of May*, James Jones draws on his own experiences living in Paris and witnessing the 1968 revolts firsthand to create an unforgettable portrait of a society at war with itself—and torn apart by change. This ebook features an illustrated biography of James Jones including rare photos from the author's estate.

"Eloisa James is extraordinary." —Lisa Kleypas

"Nothing gets me to the bookstore faster than a new novel by Eloisa James." —Julia Quinn *New York Times* bestselling author

Eloisa James gives the classic Hans Christian Andersen story of "The Ugly Duckling" a wonderful, witty, and delightfully

passionate twist. *The Ugly Duchess* is another fairytale inspired romance from the unparalleled

storyteller whose writing, author Teresa Medeiros raves, "is truly scrumptious."

A sexy and fun historical romance, James's winning tale of a glorious reawakening does not feature ducks and

swans—rather it's a charming story of a young woman unaware of her own beauty, suddenly duty-

bound to wed the dashing gentleman who has always been her platonic best friend...until now.

Never-before-published fiction by one of the finest war authors of the twentieth century In 1943, a

young soldier named James Jones returned from the Pacific, lightly wounded and psychologically tormented by the horrors of Guadalcanal. When he was well enough to leave the hospital, he went AWOL rather than return to service, and began work on a novel of the World War II experience. Jones's AWOL period was brief, but he returned to the novel at war's end, bringing him to the attention of Maxwell Perkins, the legendary editor of Fitzgerald, Hemingway, and Thomas Wolfe. Jones would then go on to write *From Here to Eternity*, the National Book Award-winning novel that catapulted him into the ranks of the literary elite. Now, for the first time, Jones's earliest writings are presented here, as a collection of stories about man and war, a testament to the great artist he was about to become. This ebook features an illustrated biography of James Jones including rare photos from the author's estate. From Lillian Gish to Jack Lemmon, Bogdanovich captures brilliantly--in their own words and in his--the work and styles of 26 fascinating Hollywood iconic actors and actresses. 120 photos in text. National Book Award winner James McBride goes in search of the real James Brown and his surprising journey illuminates not only our understanding of the Godfather of Soul but the ways in which our cultural heritage has been shaped by Brown's legacy. A playwright vacationing in Jamaica becomes dangerously obsessed with deep-

sea diving Ron Grant is one of the finest playwrights of his generation, second only to Tennessee Williams in pure genius. But success does not mean he feels like a man. On vacation in Jamaica with his mistress, an ice queen who considers him her personal trophy, his thoughts are back in New York City, with a beautiful young girl he met a few days before he left town. As the stress bears down on him, the brilliant playwright goes nearly to pieces before he finds his salvation under water. On his first deep-sea dive, Grant falls in love with the haunting beauty of the reef. He returns as soon as he can, staying longer and swimming deeper until all his problems seep away. But a man can't breathe underwater forever—and his obsession will drive him to take increasing risks that will change his life forever. This ebook features an illustrated biography of James Jones including rare photos from the author's estate. Spanning several generations--from newcomers to Oscar Award-winning veterans--this volume features a discussion of the movies that shaped the careers of these filmmakers and, in turn, cinema history. Here directors, including Peter Bogdanovich, Kimberly Peirce, Arthur Hiller, and John Waters, explore the film they saw at an especially formative moment, how it influenced their own work--or, in some cases, led them to tell stories through movies themselves--and the effects it had on their thoughts about cinema. Revealing stories

include how after watching Rebel Without a Cause, John Woo started combing his hair like James Dean and even began talking like him; Apocalypse Now inspired Danny Boyle to take risks and make larger-than-life films; and a line in The Wizard of Oz --Who could ever have thought a good little girl like you could destroy all my beautiful wickedness?--has become almost a personal mantra or prayer for John Waters. From the World's No. 1 Storyteller, James and the Giant Peach is a children's classic that has captured young reader's imaginations for generations. One of TIME MAGAZINE's 100 Best Fantasy Books of All Time After James Henry Trotter's parents are tragically eaten by a rhinoceros, he goes to live with his two horrible aunts, Spiker and Sponge. Life there is no fun, until James accidentally drops some magic crystals by the old peach tree and strange things start to happen. The peach at the top of the tree begins to grow, and before long it's as big as a house. Inside, James meets a bunch of oversized friends—Grasshopper, Centipede, Ladybug, and more. With a snip of the stem, the peach starts rolling away, and the great adventure begins! Roald Dahl is the author of numerous classic children's stories including Charlie and the Chocolate Factory, Matilda, The BFG, and many more! "James and the Giant Peach remains a favorite among kids and parents alike nearly 60 years after it was first

published, thanks to its vivid imagery, vibrant characters and forthright exploration of mature themes like death and hope." —TIME Magazine

Discover the classic thriller that launched the #1 detective series of the past twenty-five years, now one of PBS's "100 Great American Reads" Alex Cross is a homicide detective with a Ph.D. in psychology. He works and lives in the ghettos of D. C. and looks like Muhammad Ali in his prime. He's a tough guy from a tough part of town who wears Harris Tweed jackets and likes to relax by banging out Gershwin tunes on his baby grand piano. But he also has two adorable kids of his own, and they are his own special vulnerabilities. Jezzie Flanagan is the first woman ever to hold the highly sensitive job as supervisor of the Secret Service in Washington. Blond, mysterious, seductive, she's got an outer shell that's as tough as it is beautiful. She rides her black BMW motorcycle at speeds of no less than 100 mph. What is she running from? What is her secret? Alex Cross and Jezzie Flanagan are about to have a forbidden love affair—at the worst possible time for both of them. Because Gary Soneji, who wants to commit the "crime of the century," is playing at the top of his game. Soneji has outsmarted the FBI, the Secret Service, and the police. Who will be his next victim? Gary Soneji is every parent's worst nightmare. He has become Alex Cross's nightmare. And now, reader, he's about to become yours. In

this magnificent but brutal classic of a soldier's life, James Jones portrays the courage, violence and passions of men and women who live by unspoken codes and with unutterable despair. Diamond Head, Hawaii, 1941. Pvt. Robert E. Lee Prewitt is a champion welterweight and a fine bugler. But when he refuses to join the company's boxing team, he gets "the treatment" that may break him or kill him. First Sgt. Milton Anthony Warden knows how to soldier better than almost anyone, yet he's risking his career to have an affair with the commanding officer's wife. Both Warden and Prewitt are bound by a common bond: the Army is their heart and blood . . .and, possibly, their death. In this magnificent but brutal classic of a soldier's life, James Jones portrays the courage, violence and passions of men and women who live by unspoken codes and with unutterable despair. . .in the most important American novel to come out of World War II, a masterpiece that captures as no other the honor and savagery of men. From combat experience through a controversial and impressive literary career, these letters--by the author of *From Here to Eternity*--are the raw material of a life that was transformed into some of the best fiction of a generation. Four World War II infantrymen recover at an army hospital, and struggle to readjust to the home front, in this New York Times–bestselling novel. At the end of a long journey across the Pacific, a ship catches sight of

California. On board are hundreds of injured soldiers, survivors of the American infantry's battle to wrest the South Seas from the Japanese Empire. As the men on deck cheer their imminent return to their families, wives, and favorite girls, four stay below, unable to join in the celebration. These men are broken by war and haunted by what they learned there of the savagery of mankind. As they convalesce in a hospital in Memphis, the pain of that knowledge will torment them far worse than any wound. The third of James Jones's epics based on his life in the army, this posthumously published novel draws on his own experiences to depict the horrors of war and their persistence even after the jungle is left behind. This ebook features an illustrated biography of James Jones including rare photos from the author's estate. For the first time in a stand-alone edition, the acclaimed poet's classic poem about his communication with Ephraim, a guiding spirit in the Other World, is here introduced and annotated by poet and Merrill scholar Stephen Yenser. "The Book of Ephraim," which first appeared as the final poem in James Merrill's Pulitzer-winning volume *Divine Comedies* (1976), tells the story of how he and his partner David Jackson (JM and DJ as they came to be known) embarked on their experiments with the Ouija board and how they conversed after a fashion with great writers and thinkers of the past, especially in regard to the state

of the increasingly imperiled planet Earth. One of the most ambitious long poems in English in the twentieth century, originally conceived as complete in itself, it was to become the first part of Merrill's epic *The Changing Light at Sandover* (1982), the multiple prize-winning volume still in print. Merrill's "supreme tribute to the web of the world and the convergence of means and meanings everywhere within it" is introduced and annotated by one of his literary executors, Stephen Yenser, in a volume that will gratify veteran readers and entice new ones. With "shattering prose," the New York Times–bestselling author of *From Here to Eternity* captures the intense combat in the battle of Guadalcanal (San Francisco Chronicle). In August of 1942 the first American marines charged Guadalcanal, igniting a six-month battle for two thousand square miles of jungle and sand. In that gruesome stretch sixty thousand Americans made the jump from boat to beach, and one in nine did not return. James Jones fought in that battle, and *The Thin Red Line* is his haunting portrait of men and war. The soldiers of C-for-Charlie Company are not cast from the heroic mold. The unit's captain is too intelligent and sensitive for the job, his first sergeant is half mad, and the enlisted men begin the campaign gripped by cowardice. Jones's moving portrayal of the Pacific combat experience stands among the great literature of World War II. This

ebook features an illustrated biography of James Jones including rare photos from the author's estate.
